Networking Tips

Your elevator pitch is a brief statement of what really interests you, what you've been doing lately, what you're good at, what's important to you, and how you are the solution to the employer's needs and interests.

Not sure where to start?

Use this template to help you make your introduction!

Prep your pitch:

My name is _____ and I have ___ years of related experience in _____.

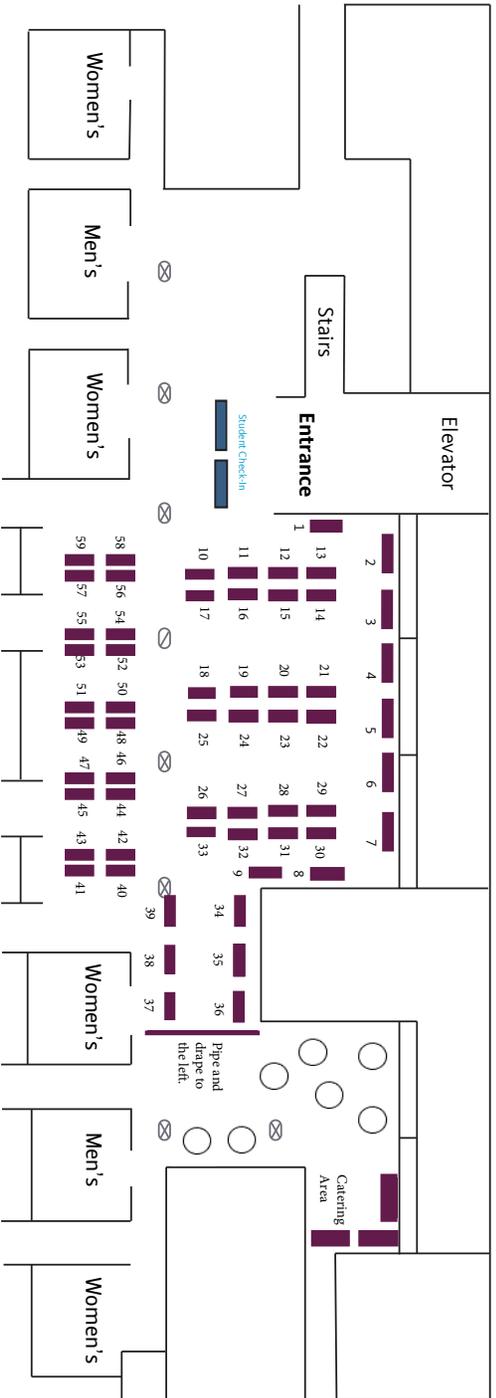

For the past ___ years, I've been working/ studying _____ and I'm interested in working for a _____ where I can contribute to _____.
